Welcome to PRINCE2® 7 Practitioner

PRINCE2® Practitioner training takes your understanding of the PRINCE2® framework to the next level, so that you can apply and tailor PRINCE2® to address the needs and problems of a given project scenario. Your ability to do this will be examined by use of official PeopleCert case studies.

Course Objectives

By the end of the PRINCE2® Practitioner course you will:

- Be able to apply and tailor to a case study project (official People Cert case studies are used).
- We include preparation to sit your PRINCE2® Practitioner exam.

Our PRINCE2® 7 Practitioner Approach

Our 2-day PRINCE2® Practitioner course is specifically designed for those who have recently achieved the PRINCE2® 7 Foundation certification based on the PeopleCert Manual *"Managing Successful Projects with PRINCE2®, Seventh Edition"* and would like to progress to Practitioner level.

If you have not already achieved PRINCE2® Foundation level, we recommend our PRINCE2® 7 Foundation & Practitioner Course. This course enables you to achieve both Foundation and Practitioner certifications.
