About This Course

Supervisory Management - A Clear and Practical Guide to Management

Our Supervisory Management Courses are for those who are currently involved in, or about to undertake a supervisory management position.

Our Supervisory Management course covers the key principles of effective management and examines the qualities of a good manager.

By the end of the course those who attend will feel confident in their own ability to manage others with skill and success.

This course runs as part of our popular combined Management Skills course, geared towards giving you the confidence to begin managing others effectively.

About This Course

- ✓ This course is structured to provide you with essential skills for managing others.
- ✓ The skills you will gain can be applied in any environment.
- ✓ It is very practical in style, incorporating discussions and group exercises.
- ✓ The course is delivered by experienced management training professionals who bring a wealth of real-world management expertise to each course they deliver.
- ✓ If you would like to expand your learning and progress to QQI Certification, we provide an opportunity for this ([see page 14](#)).

Training Objectives

Following this practical training course, you will:

✔ **Understand different management styles**

To perform a role with success, you must first understand it well. We dedicate time to understanding the various styles of management during training.

✔ **Gain stronger communication skills**

Communication is at the heart of almost everything a manager does. During training, we look at how you can get your message across clearly whether you're communicating with your team or upper management.

✔ **Possess techniques for organisation and managing their time**

This course has a module called "Organisational Skills and Planning". It includes time management, organisation, and the ever-important skill of delegation.

✔ **Know how to motivate their team and build strong relationships**

Team motivation is high on the list of essential management skills. You'll learn a variety of ways to build and maintain a strong team culture.

✔ **Be able to spot and solve problems**

It is almost impossible to avoid problems. They will inevitably crop up from time to time. We aim to prepare you with skills for spotting and resolving any issues that arise with ease.

Ask A Quick Question

Who Attends?

This course is suited to managers of all levels. Regular participants include:

- ✓ **Recently Appointed Managers**

If you have recently moved into a management role, this course will help you to make the transition with ease and set you up for future success.

- ✓ **Experienced Managers**

Seasoned managers often attend this course as part of their continued professional development. This course serves as a refresher, or as a source of new ideas for experienced managers.

- ✓ **Potential Managers**

If you are considering making a career progression to management, this course will give you an excellent foundation in management skills.

Why Choose Our Approach? (5 Key Benefits)

✓ Career Progression

This course is very popular with those hoping to move into a supervisory management role. Completing 2 days of training gives you a strong foundation of management skills.

✓ Communicate Effectively

Clear communication is the cornerstone of any management skills portfolio. It's crucial to know how to listen, question, and be able to get your message across effectively.

✓ Pro-Active Problem Solving

Addressing and resolving problems is part of every manager's remit. Our trainers will help you to identify issues at an early stage and advise on the best techniques for achieving a win-win result.

✓ Support, Confidence, and Best-Practice Methods

A move into management can be daunting without training. Attending management training builds your confidence and encourages you to use best-practices in all aspects of your role.

✓ QQI Certification Option

We offer a handy QQI certification option for this Supervisory Management Course. Get all the details of how you can easily progress to achieve a management certification on [pages 13 and 14](#).

Classroom Training

Our classroom training in Dublin provides you with a highly intensive learning approach to Supervisory Management Training.

Our classroom courses run in convenient Dublin venues, close to the M50.

Why Classroom?

- ✓ **Focused Learning Environment** - One of the key advantages of an in-person classroom style training is the focused learning environment.
- ✓ **Delivered by Experts** - Our classroom training gives you access to our expert trainers. You'll benefit from the opportunity to ask questions and receive advice from your trainer.
- ✓ **Support Materials** - In addition to your classroom training experience, you'll gain access to online support materials (slides, reference materials etc.).

At present, most of our management courses will take place as live virtual training. You can gain all of the benefits of classroom training through virtual training.

Read more and reserve your place on the following page.

Live Virtual Training (online)

Virtual training enables you to connect to live, trainer-led sessions from wherever you are.

It's easy to connect and you'll gain the benefits of a classroom style of training while enjoying the convenience of learning at home.

Our virtual training dates are available for anyone to attend.

How Virtual Training Works

Once you confirm your place on one of our upcoming virtual training dates, we'll send you the information and link you need to join the training.

To connect with our live training, you'll need a steady internet connection and a device with a web-camera, speakers, & microphone. Most home internet connections work perfectly for virtual training. These days, almost all smartphones, computers, and tablets have built-in web cameras, speakers, and microphones.

Our training consultants will advise you on how to get connected. It's an easy, user-friendly process.

Why Virtual?

- ✓ **Learn from Home** - This is an ideal solution for anyone who works from home. You can connect with real-time training sessions from wherever you're currently based.
- ✓ **Delivered by Experts** - By choosing our live virtual training, you'll learn from subject matter experts. You'll also benefit from the ability to ask questions and gain advice from our trainers.
- ✓ **Group Training** - This style of training enables you to interact virtually with your fellow trainees. Via our online platform, you'll be able to take part in group discussions and exercises without leaving home.
- ✓ **Focused Learning Environment** - One of the key advantages of an in-person classroom style training is the focused learning environment. Live, trainer-led virtual training also provides this high-impact format.

In-Company Training

We run this Supervisory Management training for in-house (sometimes called “in-company” or “on-site”) training. This means that we deliver training exclusively to your team on a date you choose.

There are many benefits to choosing an in-house style of delivery.

How In-House Training Works

When you get in touch with us about in-company training - either by phone or by requesting a quotation using the button on this page - our expert training consultants will work with you to find the best training solution for your needs.

We will create a programme that addresses the issues and goals at the top of your list, and choose a training delivery method and dates that suits you best.

Why In-House?

- ✔ **Tailored for Your Team** - Although the course syllabus must be adhered to, we can take your business and any challenges you are facing into account when delivering the course. We will make the training delivery relevant to your team.
- ✔ **You Choose the Delivery Style** - We can deliver this training as an in-person, classroom style course (where we come to your location), or by live, virtual classroom training.
- ✔ **Flexibility** - In-company training gives you the ability to schedule training at a time that works best for your schedule. It removes the inconvenience of having to take someone out of their role for training at a busy time.

Progressing to Certification

This course runs alongside our 3-day QQI People Management Course. Delegates attending this 2-day Management Training have the option to extend their training to add on the 3rd day of certification preparation.

How Do I Get Certified?

The certification offered with this training is a QQI Level 6 award in Managing People. To achieve this certification, you will need to attend an additional day of training immediately after the 2-day workshop and complete the required assessment work successfully.

Participants must complete a Project (50%), a Learner Record (30%), and a Written Assignment (20%) in the 8 weeks that follow training. We provide guidance and a detailed assessment brief for anyone undertaking the QQI Assessment.

1. Attend our 2-Day Management Skills Training

Gain practical management skills you can apply instantly.

2. Attend Day 3 Certification Preparation

Day 3 follows immediately after Days 1 and 2. Your trainer will cover the detailed assessment brief and help you prepare for assessment work.

3. Self-Directed Learning & Assessment Work

Self-directed learning includes research, reading, study, practice, reflection and preparation of assessment work.

4. Submit Your Assessment Work

You must submit all of your assessment work within 8 weeks of completing training.

5. Achieve your QQI Certification!

You will receive your QQI certificate approximately 5 - 6 months after you have submitted and passed your assessment work.
