About PRINCE2®

PRINCE2® is a project management methodology practised and recognised on a worldwide scale.

It's a clearly defined framework, based on a published manual, *"Managing Successful Projects with PRINCE2®"*.

The PRINCE2® method is composed of 7 themes, 7 principles, and 7 processes that equip practitioners with the knowledge to manage projects in a range of environments.

In the current 2017 edition of the manual, there is a renewed emphasis on tailoring these themes and processes to suit the project and the organisational needs. This tailoring is now examined at Foundation level, as well as at Practitioner level.

8 Reasons to Choose a PRINCE2® Certification

① Global Recognition

The PRINCE2® methodology is used in 150 countries worldwide, in over 20,000 organisations.

② Career Boosting

88% of PRINCE2® certification holders said it has helped them in their career. (source)

③ In-Demand

There are over 1 million PRINCE2® certified professionals and counting!

Continuing demand for PRINCE2® has led to us running busy courses throughout the year.

④ All Projects, All Sizes

PRINCE2® can be successfully applied to any kind of project.

It is designed to be easily scalable to fit projects of all sizes.

⑤ Different sectors

PRINCE2® is used in almost every sector imaginable.

It's equally effective in small to medium enterprises and larger organisations.

⑥ Support for Tailoring

PRINCE2® is a truly supportive framework, incorporating guidance that helps you tailor the framework to your project or working environment.

⑦ Consistency

PRINCE2® ensures consistent language and terminology across businesses and project teams.

This is also very helpful for project managers moving between teams, clients, and organisations.

⑧ Partners Well

PRINCE2® also works really well when combined with other methodologies.

For example, PRINCE2® pairs beautifully with Agile and is considered complimentary to the Project Management Institute (PMI)® framework.

Our PRINCE2® Approach

PRINCE2® Foundation Exam Preparation

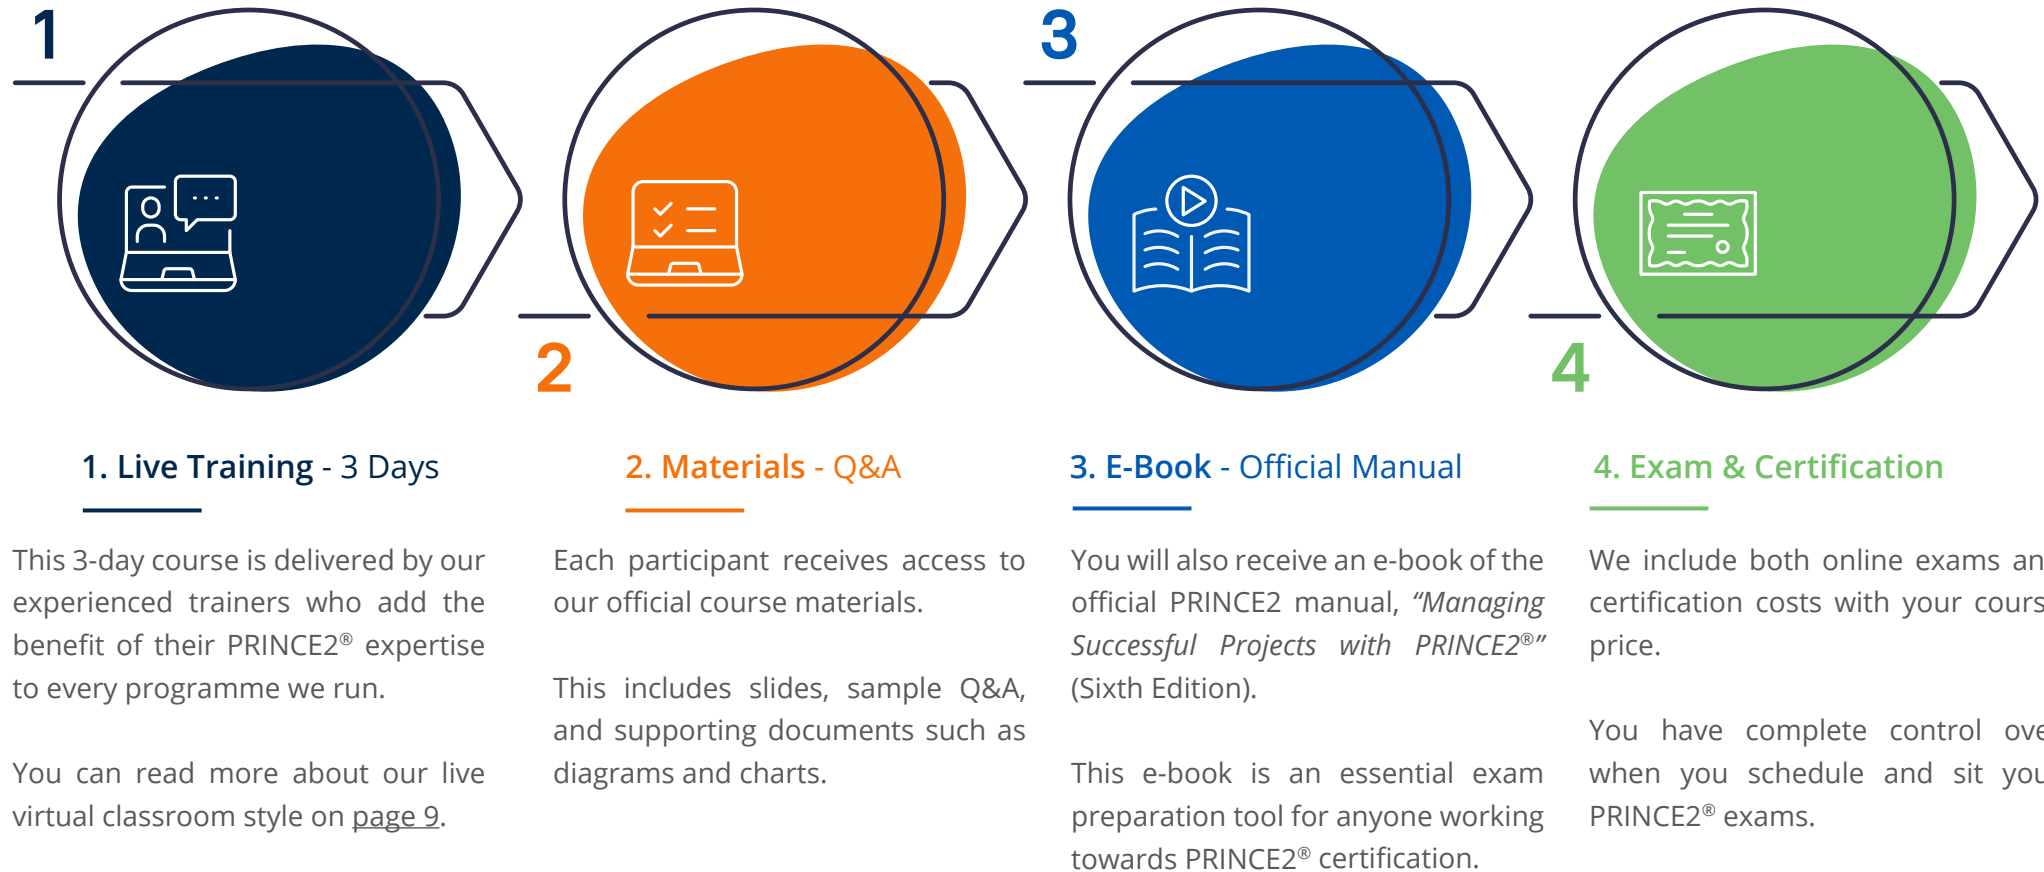

This is a 3-day classroom or virtual exam preparation course, led by PRINCE2® qualified, experienced project management trainers.

Our delivery style is a blend of practical and theoretical learning. The course syllabus follows the requirements laid down by AXELOS, the accreditation body.

While some experience in a project management environment is recommended, and will be helpful for completing this course, AXELOS do not lay down any formal eligibility requirements to become PRINCE2® certified.

What is Included?

Why Choose our PRINCE2® Approach? (5 Key Benefits)

✓ An Inclusive PRINCE2® Solution

Our course format includes everything you need for your training, both exams, and certification costs. You also gain access to course materials and sample questions and answers to support your learning.

✓ Understanding a Widely Recognised Project Management Framework

As PRINCE2® is used in so many different sectors and businesses, a knowledge of the PRINCE2® framework enables you to slot into a new project team with ease.

✓ Advice and Guidance from Experienced PRINCE2® Trainers

Our trainers are experienced in the field of project management, and are PRINCE2® qualified. During your training, you'll gain the benefit of their expertise, including tips, guidelines and best-practice approaches to implementing the PRINCE2® framework.

✓ Opportunity for Progression to PRINCE2® Practitioner Level

Our PRINCE2® Foundation Level is directly followed by PRINCE2® Practitioner Level training. We give you the option to continue on to [PRINCE2® Practitioner Level](#) for a complete certification solution.

✓ Broader Career Options

PRINCE2® is widely adopted by companies in every country, especially within Ireland and the UK. Therefore, project managers who have trained and certified in the PRINCE2® methodologies are in-demand. By achieving PRINCE2® certification, you gain greater career flexibility and may increase your salary potential.

Delivery Style

Our PRINCE2® courses are delivered in a live virtual classroom style.

Virtual training enables you to connect to live, trainer-led sessions from wherever you are.

It's easy to connect and you will gain the benefits of a classroom style of training while enjoying the convenience of learning online.

Connecting to Live Virtual Training

Connecting with our live training is an easy, user-friendly process.

All you need is a steady internet connection and a device with a web-camera, speakers, & microphone. Most home internet connections work perfectly for virtual training. Almost all smartphones, computers, and tablets have built-in web cameras, speakers, and microphones.

Our training consultants will advise you on how to get connected

What are the benefits?

- ✓ **Learn from Home** - This is an ideal solution for anyone who works from home. You can connect with real-time training sessions from wherever you're currently based.
- ✓ **Delivered by Experts** - By choosing our live virtual training, you will learn from subject matter experts. You also benefit from the ability to ask questions and gain advice from our trainers.
- ✓ **Group Training** - This style of training enables you to interact virtually with your fellow trainees. You will be able to take part in group discussions and exercises without leaving home.
- ✓ **Focused Learning Environment** - One of the key advantages of an in-person classroom style training is the focused learning environment. Live, trainer-led virtual training also offers this high-impact format.

In-Company Training

We also offer this PRINCE2® programme for in-company (sometimes called “in-house” or “on-site”) training.

This means that we deliver training exclusively to your team on a date you choose.

This is a fantastic option for anyone with a team or group of candidates who require PRINCE2® knowledge and certification.

How In-Company Training Works

When you get in touch with us about in-company training - either by phone or by requesting a quotation using the button on this page - our expert training consultants will work with you to find the best training solution for your needs.

We will create a programme that addresses the issues and goals at the top of your list, choosing a training delivery method and dates that suit you best.

What are the benefits?

- ✓ **Tailored for Your Team** - Although the PRINCE2® course syllabus must be adhered to, we can take your business and any challenges you are facing into account when delivering the course. We will make the training delivery relevant to your team.
- ✓ **You Choose the Delivery Style** - We can deliver this training as an in-person, classroom style course (where we come to your location), or by live, virtual classroom training.
- ✓ **Flexibility** - In-company gives you the ability to schedule training at a time that works best for your schedule. It removes the inconvenience of taking someone out of their role for training at a busy time.
